Risks and Disclaimers for the VERSITY Student Housing REIT: This sales and advertising literature is not an offer to sell nor a solicitation of an offer to buy securities in Versity RIA Student Housing REIT (the "Fund"). An offering is made only by the private placement memorandum (the "PPM") as of 01/03/2023, and this literature must be read in conjunction with the PPM in order to fully understand all of the implications and risks of the offering. Securities offered through WealthForge Securities, LLC, the managing broker-dealer for the Fund and member FINRA/SIPC. Versity Investments, LLC (the "Sponsor") and WealthForge are not affiliated. Potential risks relating to the Fund are disclosed in our PPM that must be read by the investor prior to making an investment decision, including the following:

- Past performance may not be indicative of future performance and does not guarantee future performance.
- The economic success of the Fund will depend upon the results of operations of its properties. Fluctuations in vacancy rates, rent schedules, and operating expenses can adversely affect operating results, financing terms or sale opportunities.
- No assurance can be given that future cash flow will be sufficient to make the debt service payments on any borrowed funds and cover capital expenditures or operating expenses.
- There are risks related to competition from competing properties.
- The Sponsor is not under any obligation to contribute capital to the Fund.
- The shares do not represent a diversified investment.
- There are various conflicts of interest among the Fund, the Sponsor and its affiliates.
- There are tax risks associated with an investment in the shares.
- There may be environmental risks related to the properties.
- No assurance can be given that shareholders will realize a substantial return (if any) on their investment.

There are risks associated with participating in the Offering. An investment in the Trust is speculative and illiquid, and involves significant risks, including the possibility of losing all invested capital. All forward-looking statements are subject to risks and uncertainties; actual circumstances and results could differ materially. None of the statements or information contained in the Materials are intended to be investment, tax, accounting, or legal advice. You should consult your own investment, tax, accounting, legal and other advisors as to tax, accounting, legal and related matters concerning the subject matter of the Materials, including the value of this transaction to you. Any U.S. federal tax information is not intended and cannot be used for the purpose of avoiding tax-related penalties.

The Shares are being offered and sold in a continuous private offering exempt from the registration requirements of the Securities Act of 1933, as amended (the "Securities Act"), and are available for purchase only by investors that certify their qualification as "accredited investors," as that term is defined in Rule 501(a) promulgated under Regulation D of the Securities Act.

Neither the U.S. Securities and Exchange Commission (the "SEC") nor any other federal, state or foreign securities commission or similar authority has determined whether this Memorandum is truthful or complete. The Shares have not been registered under the Securities Act or the securities laws of any state or country in reliance on exemptions from the registration requirements of such laws. There is no public market for the Shares, and the Shares are subject to significant restrictions on transfer. An investment in the Shares involves significant risk.
