The Hayworth

For the use of the Zia coffee machine at \$49.99 per month and the twin temperature bottled water cooler at \$3.99 per month for a total of \$53.98 + tax, I agree to the following. Texas Office Coffee will be my exclusive provider of coffee and coffee related items (cups, creams, sugars, etc) for a minimum period of 12 months. There will be a minimum purchase of \$300 per month of coffee and coffee related items. Purchasing coffee and coffee related items from a different source can result in an increase in rent. This increase in rent can be 2X the current rent. In the event the agreement is broken prior to the end of the contract, all remaining rental will be due in addition to the average monthly purchase of coffee and coffee related items for each month left on that term. I agree that the equipment remains the property of Texas Office Coffee, and is to be released upon demand. I agree to pay for loss or any damage to this equipment other than normal deterioration from use. I agree to give 30 day's written notice of cancellation to the Texas Office Coffee business office prior to the end of the agreement. The above agreement has an automatic annual renewal if a 30 day notice is not given prior to the end of the agreement. The automatic renewal continues to renew each year unless a 30 day notice is given prior to the end of the most recent contract date.
